## Home Churches

We are very excited to plant a series of home churches starting this October. Home Churches will meet on Wednesday nights in various locations up and down the valley for the purpose of gathering together to eat, worship God, study, pray and join one another in radically loving and influencing our neighborhoods. More information coming soon, but if you have questions, email Dan at [dan@ccaspen.com](mailto:dan@ccaspen.com) or call him at 925-7828.

## Aspen Men's Conference

Glenview Church from Glenview, Illinois, will be leading our 4th Annual Men's conference at the Annabelle Inn in Aspen, October 7th-10th. The topic this year is "Did Someone Say Action? Men of Action: Act. Love. Walk." The conference is a time of great food, thought-provoking discussions and stimulating activities. This year's event promises to be another powerful experience and we encourage you to attend. For more information and/or to register, please go to [www.glenviewefc.org](http://www.glenviewefc.org) or call Don Chookaszian at 847-724-7277.

## Joie De Vie, Part Deux

It's French for "Joy of Life, part two!". Mark your calendars and save the date for Friday, October 15th. You are invited to attend Joie De Vie, Part Deux, a benefit for the PRC at The Wheeler Opera House. This is your chance to support the life changing work of the Pregnancy Resource Center and have a great family fun evening with our variety show featuring music, drama and dance from near and far. Please contact the PRC at 945-5562 for more information.

## 93 Days of Prayer & Fasting

The GPSG team is preparing for their upcoming South Africa trip by doing 93 Days of prayer and fasting. They would like to invite the body to join in and participate. It is not necessary to fast, but prayer is essential. If God calls you to fast something other than food for the day, that's okay too. The prayer and fasting started August 16th and will continue every day except Sunday's until December 1st. There are 93 days that need to be covered. There is a sign up sheet in Brent's office.

## Journals

With the elimination of printed bulletins, which had an area for sermon notes, we are now recommending you buy and bring a journal to church, such as the Moleskin, which you can find at Carl's Pharmacy, Explorer Book Store or [amazon.com](http://amazon.com).

## Prayer Requests

### Please pray for the following:

- Bill Hodges who recently broke his ankle and is having to use a walker. Please lift him up in prayer that God would supernaturally heal his ankle in a time frame and way that could only be ascribed to God's handiwork.
- Please continue to pray for Haiti. For the people to get the aid they need, and that through this tragedy people will come to know and trust the Lord.

If you have a prayer request, please email Maily at [maidy@ccaspen.com](mailto:maidy@ccaspen.com).

"Effective Prayer of Righteous Men or Women can accomplish much."
